

# SCENE & HEARD

a celebration of events around the bay area

## Halloween at W San Francisco

San Francisco showed off its sinister chic at one of the Bay Area's most stylish Halloween celebrations! The W San Francisco became the city's hottest Halloween haunt, with stylish high-rolling denizens of the night opting for bottle service while grooving to the sounds of DJ Solomon. Special room packages kept the wolves howling all night long. [wsanfrancisco.com](http://wsanfrancisco.com)
